Business Men of El Paso Join In Flag Day Move

practically All Larger
Retail and Wholesale
Stores of El Paso
Will Be Closed.

Nearly every business
man in El Paso has joined
with Mayor Lea in the
patriotic enterprise of set-
ting aside the designated
date for a demonstration
of love and loyalty to the
United States and the
Stars and Stripes. A. P.
Coles, chairman of the
committee to call on busi-
ness men to close all day,
reported that no one busi-
ness man in El Paso had
declined to close.

Committees in charge of
the parade are anxious to
have it known that every
civilian, man and woman,
in El Paso, is invited to
march in this parade. The
column will be formed on
Mesa avenue and will
march south through the
principal thoroughfare.
The route usually followed
in the army reviews will
be adopted by the pre-
paredness parade. March-
ing will begin promptly
at 9 o'clock on Wednes-
day morning and the
marchers will be dis-
missed in less than two
hours. Automobiles will
be barred from the street
during the parade. Every
person in line will carry a
United States flag. They
will march 12 abreast.

Business houses, public
service corporations, labor
unions, civic societies,
commercial organizations,
the Rotary club, the Lions,
the railroads, professional
societies, college fraterni-
ties and all organizations
of every character are pre-
paring to put delegations
in the parade. Moving
picture houses, the Y. M.
C. A. and the Y. W. C. A.
are preparing to get in the
line of march. But it is
not necessary to belong to
any organization or to be
allied with any interest or
business house to get in
the parade. All one needs
is a patriotic impulse, a
belief in preparedness and
a United States flag and
he or she will be welcomed
in the line of march.
